## Home - School - Child Agreement

Our school's aims are firmly rooted in the Christian faith. We are a family, who work and worship together sharing the spiritual journey of life. Our ultimate goal is to send out happy, confident children whose characters are well-rounded; who have respect for others; who achieve their full academic and physical potential, making their own personal contribution to their home, school and society

As a school, we will do our best to

- Encourage children to do their best at all times
- Provide a learning environment that is attractive, stimulating and well-resourced
- Help children to feel, respected, valued and supported
- Encourage your child to take care of their surroundings and others around them
- Inform parents of their child's progress on a termly basis
- Encourage high standards of work and behaviour
- Listen and respond quickly to any concerns
